GENERALLY APPLICABLE RULES

- 1.01 **AUTHORITY.** These rules are adopted pursuant to the authority set forth in Section 1.22.080(D) of the Pierce County Code and apply to quasi-judicial hearings conducted by the Pierce County Hearing Examiner. The Hearing Examiner's authority is set forth in Chapter 1.22 of the Pierce County Code entitled "The Pierce County Hearing Examiner Code." These rules supplement and must be read together with Chapter 1.22 of the Pierce County Code, and may be amended from time to time. Copies of these rules are available at the Examiner's office, Office of the Pierce County Planning and Land Services (PALS) at the Pierce County Annex, and Office of the Pierce County Council.

The Hearing Examiner's jurisdiction is limited to those matters specifically identified in the Pierce County Code or assigned to the Examiner by the Pierce County Council.

- 1.02 **EX-PARTE COMMUNICATIONS.** Any communication between any participant in a hearing and the Examiner that occurs outside of the hearing and in the absence of the other participants is an ex-parte communication.
- A. No person shall communicate ex-parte directly or indirectly with the Examiner concerning the merits or facts of any matter assigned to or under consideration by the Examiner.
 - B. This rule does not prohibit ex-parte communications about procedural matters, nor does it apply to written submissions made before the record is closed and available to all participants.
- 1.03 **DISQUALIFICATION OF HEARING EXAMINER.** Any person acting as Hearing Examiner is subject to disqualification for bias, prejudice, conflict of interest, or any other cause for which a judge can be disqualified under the Code of Judicial Conduct.
- A. Whenever the Examiner believes that his or her relationship to participants or financial interest in the subject of hearing create the appearance that the proceedings will not be fair the Examiner shall either:
 - 1. Voluntarily step down from the case; or
 - 2. Disclose the relationship or interest on the record and state that he or she has a bona fide conviction that the interest or relationship will not interfere with the rendering of an impartial decision.

- B. Any party or interested person may request the Examiner to disqualify himself or herself as soon as reasonably possible upon discovering grounds for disqualification. The Examiner shall determine whether to grant the request, stating facts and reasons for the determination.
- C. The fact that an Examiner has considered the same or a similar proposal in another hearing, has made a ruling adverse to the interest of a party in the present or another hearing, or has considered and ruled upon the same or similar issue in the same or similar context shall not be a sole basis for disqualification.

1.05 FILING AND SERVICE OF DOCUMENTS

- A. All written materials submitted in advance of a hearing may be filed with the Hearing Examiner's office, 902 South 10th Street, Tacoma, Washington, 98405, or at Pierce County Planning and Land Services at the Pierce County Annex, 2401 South 35th Street, Tacoma, Washington, 98409. Materials may be delivered personally, transmitted by facsimile (with original mailed or submitted at the hearing), or sent by mail.
- B. Documents required to be served on other participants may be delivered personally, transmitted by facsimile, or sent by mail.
- C. Authorized documents submitted subsequent to the hearing may be filed in the same manner.

1.06 OFFICIAL HEARING FILE

The staff report and all written submissions shall be maintained in the official file. The official file shall be available for public inspection and copying during normal business hours at the Examiner's office. The Examiner's office may charge a reasonable fee to reimburse for the cost of document copying.

1.07 HEARING DATE/CONTINUANCE

Hearings will normally be held at the time and place specified in the notice thereof. PALS or the Examiner may continue the scheduled hearing for good cause shown.

1.08 EVIDENCE

- A. Quasi-judicial public hearings are not subject to the evidentiary rules of the court system, but are guided by the concept of due process.
- B. Evidence, including hearsay evidence, is admissible if in the judgment of the Examiner it is the kind of evidence upon which reasonably prudent persons are accustomed to rely upon in the conduct of their affairs.
- C. The Examiner may exclude evidence that is irrelevant, unreliable, immaterial, or unduly repetitious.
- D. The Examiner may take official notice of properly enacted provisions of law, codes or standards adopted by recognized organizations, matters within his or her specialized expertise, and of notorious or commonly understood facts.
- E. Exhibits
 - 1. Documents, photographs, drawings, and physical evidence may be offered as exhibits and each will be assigned an exhibit number. Exhibits offered will be retained until after a final decision is rendered and all appeal proceedings, if any, have been resolved.
 - 2. The staff report and all documents offered from the official County file will be admitted.
 - 3. Documentary evidence may be received in the form of copies of relevant excerpts from larger documents.
 - 4. Persons desiring to introduce letters or written documents should present the original to the Examiner and provide copies to County staff and the applicant/appellant.
 - 5. Applicants submitting written documents shall submit the original to the Examiner, a copy to County staff, and a copy to any appellants.

1.09 TESTIMONY

- A. All oral testimony shall be taken under oath or affirmation.
- B. The Examiner may impose reasonable limitations on the nature and length of testimony. In so doing, the Examiner shall give consideration to:

1. The expeditious completion of the hearing;
 2. The need to provide parties of record a fair opportunity to present their cases;
 3. Providing an opportunity for all members of the public to be heard when the matter is scheduled for hearing, or when public testimony is scheduled.
- C. Subject to the Examiner's approval, and where the rights of the participants will not be prejudiced, testimony of a witness may be taken by deposition or by electronic means such as a speaker telephone or television.
- D. Attorneys presenting legal arguments need not be sworn as arguments made by attorneys are not considered evidence.

1.10 **CROSS-EXAMINATION**

In accordance with Section 1.22.110(E) of the Pierce County Code, the Examiner shall offer the opportunity to all parties or their counsel to cross-examine expert witnesses, including County staff. No combative, rude, or degrading questioning will be allowed. In order to achieve efficiency the Examiner may:

- A. Require or permit parties and interested persons to express their areas of concern to the Examiner for the Examiner to ask the appropriate questions of the witness;
- B. Establish reasonable time limits on cross-examination consistent with the requirements of due process;
- C. Allow concurrent cross-examination of two or more witnesses who have testified on the same subject matter.
- D. Allow cross-examination of non-experts or members of the public when in the opinion of the Examiner such cross-examination will substantially assist in the creation of a complete record, and will not discourage members of the public from testifying. Normally, cross-examination of non-experts will be limited to authentication of documents, photographs, physical evidence, or expert studies offered as part of the witness' presentation.

- E. Allow rebuttal evidence to respond to both expert and non-expert testimony.

1.11 CONTINUATION FOR RE-OPENING HEARING/LEAVING RECORD OPEN

- A. Every effort shall be made to complete the hearing within the allotted time on the scheduled date. If such is not possible, the Examiner may continue the hearing for completion on a future date. When the Examiner specifies the date, time, and place of the continuation of the hearing prior to recessing the hearing, no further notice is required to be sent. If the announced date, time, or place is changed or determined subsequent to recess, all parties of record (persons who print their name and address on the sign-up sheet) will be mailed written notice.
- B. The Examiner may hold the record open for the receipt of additional requested information or legal briefing, to allow participants to respond in writing to issues raised at the hearing, for evidence not available at the date of the hearing, or for other good reason.
- C. After closing the record the Examiner may re-open the hearing for good cause shown at any time prior to the issuance of a decision or decision on reconsideration. The Examiner at any time may re-open the hearing if he or she becomes aware that the decision was based on fraudulent evidence, misrepresentation, or other misconduct by a party of record; or for any similar reason which would require reopening the hearing in the interest of justice.
- D. Where through mistake, misconception of facts, or erroneous application of law the Examiner issues a decision which he or she recognizes may be in error, the Examiner may, prior to the expiration of the appeal period and after due and prompt notice to parties of record, reconvene the hearing for the purpose of considering and correcting the error. The appeal period will be extended if the Examiner makes substantive changes to the decision.

1.12 SITE VISIT

The Examiner may visit the site either before or after a hearing. If the Examiner conducts a post hearing site inspection, the hearing record will not close until the inspection is completed. No parties of record may accompany the Examiner on a site visit as such would constitute an ex-parte contact prohibited by Rule 1.02.

In extraordinary cases the Examiner may request County staff or others to accompany him or her on the site inspection for the purpose of assisting the Examiner in gaining access to and/or finding portions of the site or area in dispute or which were the subject of substantial testimony and/or evidence.

1.13 RECORDING

- A. All proceedings before the Examiner shall be electronically recorded and such recordings shall become part of the record. Copies of the recordings may be obtained from Planning and Land Services upon request and upon payment of the cost of reproduction of the tape(s). The preparation and cost of a written transcript is the responsibility of the person desiring the transcript.
- B. The Examiner's Report and Decision will include a summary of the testimony of each person testifying at the hearing. The summary of testimony is an abbreviated recitation of the testimony presented.

1.14 FAILURE TO APPEAR

- A. If an applicant/appellant fails to appear at a regularly scheduled hearing, an order shall be entered dismissing the application/appeal for default. The applicant/appellant may file a timely request for reconsideration setting forth good cause to vacate the Order of Default.
- B. If an applicant/appellant telephones or otherwise notifies Pierce County Planning and Land Services of an emergency or other good reason why attendance at the hearing was not possible prior to the close of business on the hearing day, the Examiner will not enter a default, but will reschedule the hearing subject to the applicant/appellant providing new notice at its sole expense.
- C. During periods of inclement weather or severe traffic congestion, i.e., closure of Narrows Bridge, following consultation with County staff the Examiner may either delay or cancel the hearing or cancel the entire agenda, depending upon the situation.

1.15 FORMAT OF HEARING

Quasi-judicial hearings are informal in nature, but are organized so that testimony and other evidence can be presented efficiently. Cross-examination of expert witnesses and staff may be deferred to an appropriate time during the

hearing. While the Examiner may change the order of presentation at his or her discretion, the following order will be followed unless otherwise indicated.

1. Presentation of the Staff Report by County staff.
2. Presentation by the applicant or appellant and their representatives.
3. Statements by persons in support of the application or appeal.
4. Statements by persons who oppose the application or appeal, or who have questions or concerns.
5. Response by the applicant or appellant to include answers to questions.
6. Response by County staff.

1.16 CONTENT OF RECORD

The record of a quasi-judicial hearing conducted by the Examiner shall include at least the following:

- A. All public notices and any amendments thereto;
- B. The staff report and all accompanying documents;
- C. All briefs, and memoranda admitted;
- D. All documentary or physical evidence admitted;
- E. Electronic recording of the proceedings;
- F. The Hearing Examiner's findings, conclusions, and decision together with any other rulings made in the matter.

1.17 PUBLIC PARTICIPATION AND PRIVATE ORGANIZATION PRESENTATIONS

- A. Members of the public are invited and encouraged to express their views and to offer factual testimony and exhibits. Public testimony may be presented orally, in writing, or both. Written public testimony may be submitted either in advance of or during the hearing. Copies of any written testimony submitted to the Examiner should also be submitted to the County and the applicant/appellant. The Examiner may leave the record open to provide an opportunity for written responses to evidence and

testimony by other participants. The County and the applicant/appellant may respond to such written responses.

- B. Whenever the position of any formal or informal organization is to be presented, the organization should designate a representative with authority to coordinate the presentation and to speak for the group. Any communication with the organization by the Examiner or any party of record should be through the designated representative. Organized presentations by neighborhood groups are encouraged since formal presentations with designated speakers covering specific topics prevent repetitious testimony.
- C. If the designated representative notifies the Examiner in advance of the hearing of an organized presentation, the Examiner will allow an uninterrupted presentation by the organization to the extent practical.

1.18 PRE-HEARING CONFERENCES

- A. Pre-hearing conferences promote efficient case management of complex cases by providing an informal process for early identification of issues, limitation of issues, and resolution of procedural matters. Evidence generally will not be received at a pre-hearing conference except where necessary for the Examiner to rule on a motion.
- B. The Examiner on motion of any party, including Pierce County, or on the Examiner's own motion, may convene a pre-hearing conference to:
 - 1. Identify, clarify, limit, or simplify issues;
 - 2. Hear and consider pre-hearing motions;
 - 3. Schedule hearings, identify parties and expert witnesses, determine the order of and limits upon testimony, obtain stipulations as to fact and law, identify and admit or reject exhibits, order discovery, and consider and act upon any other matter which may assure an efficient and orderly hearing. A request for a pre-hearing conference should be made to the Examiner as soon as the need is recognized and should be at least 21 days prior to the scheduled hearing date. The request should include the reasons why a pre-hearing conference is necessary and identify any issues or motions. Parties receiving timely notice of a pre-hearing conference should identify at the conference any motions not previously made which he/she intends to make. Parties or

interested persons may also file timely written pre-hearing motions for consideration at the pre-hearing conference. Failure to make or disclose a motion which could have been brought at the pre-hearing conference may be grounds for its denial when made.

- C. Following a pre-hearing conference the Examiner shall issue an order specifying all items agreed to or decided upon. The order shall be binding upon all parties and interested persons who received timely notice of the conference.

1.19 SUBPOENAS

In accordance with Section 1.22.110(D) of the Pierce County Code the Examiner has authority to require County staff to appear at a public hearing. However, the Examiner does not have authority to subpoena other persons to attend the hearing. Parties desiring attendance of County staff should first request attendance from the appropriate County department, and only when denied, request assistance from the Examiner.

1.20 MOTIONS

- A. An application to the Examiner for an order shall be by motion, which unless made during a hearing shall be in writing, state with particularity the grounds therefore, and set forth the relief sought. Each written motion shall have appended to it the order which the motion seeks.
- B. For motions for continuance or for scheduling changes or other motions that are likely to be uncontested, the moving party shall affirmatively seek the stipulation of all parties and present a stipulated order wherever possible.
- C. If the motion is contested, any party may request that the Examiner hold a motion hearing. At a motion hearing the Examiner will consider the arguments of the parties, but will not take evidence. Unless a motion hearing is requested by one or more parties or the Examiner independently sets a motion hearing date, the Examiner will normally decide the motion exclusively on the parties' written submissions. Where any party requests a motion hearing that party shall procure from PALS and the Examiner an available date for the motion hearing and prepare a note that sets the time, date, and location of the motion hearing. The moving party shall note the motion for hearing at the time and date deemed by the Examiner and PALS to be available for that purpose. The motion, order, and note for motion hearing shall then be filed and served.

The Examiner will decide whether or not a motion hearing will be held and notify the parties accordingly.

- D. Unless an order provides otherwise, the following schedule governs all written motions (including any supporting affidavits, memoranda of law, or other documentation):
 - 1. All responses to any motions shall be filed and served ten days from the date the motion is received. The moving party shall then have seven days from receipt of the response to file and serve a reply.
 - 2. In exigent or exceptional circumstances a party may at any time request the Examiner to modify the above schedules by requesting a scheduling conference (which may be telephonic) with the Examiner.
- E. The Examiner will decide a motion on the written record unless he or she orders a motion hearing.

1.21 MISCELLANEOUS

- A. The Examiner may invite parties to submit proposed findings and conclusions on either the entire matter or upon a specific issue, either in advance of or following the close of the hearing. Such proposed findings and conclusions will be made exhibits to the record.
- B. In complex cases the Examiner may issue and circulate a preliminary decision to parties of record and allow a reasonable time to submit written comments.

1.22 MEDIATION

- A. Mediation is a process by which two or more parties including the applicant/appellant and Pierce County staff with the assistance of an impartial person (the mediator) attempt to reach a full or partial agreement on a disputed matter. Persons participate in the mediation process only if and only for as long as they voluntarily choose to do so. A participant is bound by the outcome of the mediation process only if that person or his or her duly designated representative signs the mediation agreement.
- B. The Examiner upon his or her own motion or upon request by the County, the applicant/appellant, or party of record may refer a matter to mediation.

The request for mediation shall identify with reasonable specificity the application or appeal to which it applies and the scope of the mediation proposed. No party of record is obliged to respond to a request for mediation. No inferences shall be drawn from a refusal to participate in mediation or the failure to respond to a request for mediation.

- C. A request for mediation or agreement to participate in mediation by the applicant/appellant shall constitute an agreement to extend all time limits applicable to the review and hearing process.
- D. A mediator may be selected by the parties to the mediation, or upon request, the Examiner will appoint a deputy hearing examiner to conduct the mediation.
- E. All agreements resulting from mediation shall be reduced to writing by the mediator and signed by the persons who have agreed thereto or their representatives.
- F. If the mediated agreement resolves all issues concerning a matter on appeal, the mediated agreement shall include a stipulation for entry of an order dismissing the appeal. If a mediated agreement resolves some, but not all issues, or is not agreed to by all parties to the appeal, the agreement shall be binding only upon those parties who have agreed thereto with respect to the issues resolved through mediation.
- G. For matters other than appeals the Examiner shall accord substantial weight to the mediated agreement in resolving issues between or among the parties to the mediated agreement, and shall implement said agreement unless clearly erroneous. However, the mediated agreement does not obviate the need for nor limit the scope of any public hearing required by law. The Examiner retains the authority to approve, disapprove, or modify the mediated agreement.
- H. With respect to parties or persons who did not agree to the mediated agreement or participate in the mediation, the Examiner shall consider the mediated agreement only as evidence that the mediated resolution may be feasible or reasonable. Such does not preclude any party or person not bound by the agreement from introducing evidence and argument disputing the reasonableness of the agreement or proposing an alternative resolution of the dispute.
